

ROTARY CLUB OF HORNSBY DISTRICT NEWSLETTER

August 2021 – Part 1

SIVARAJ'S STORY

Our long-term member, Sivaraj Sagathavan, recently resigned. The club sadly accepted the resignation, but he shared some wonderful memories from his years at the club.

“When I migrated in February 1995, my only friend then was my kindergarten mate, Michael Wong, who lives in Normanhurst. After joining the Rotary Club of Hornsby, the members became my extended family.

I still remember the days when I joined the Rotary Club of Hornsby in July 1996, inducted by PP John Bolton. Our meetings were at Asquith Golf Club. We were all in our Rotary gear. There was a set up with the display of banners collected either through make-ups or presented by visiting Rotarians. Every attendee was a diner. The meeting started with Rotary Grace and a toast to the Queen. Those who attended Rotary meetings”.

ROTARY'S STRUCTURE

So, there is Rotary International, the Rotary Foundation, Rotary partnerships, Rotary projects, Friends of Rotary, Zones, Districts, Clubs.... etc. Unless one is a seasoned Rotary member, which is most of the club, it can feel overwhelming to try and understand how and where our club stands in relation to all the other Rotary-isms out there.

This great image was found online, and it can even be seen on our website. It is a great visual explanation.

It would be very helpful to find how Rotaract and Interact clubs fit into the graphic below. But let's leave that for a topic for next week!

Things to do during lockdown

Message from President Bobby Holder:

“As discussed at Monday’s meeting, I would like to put together a collection of ideas/ suggestions to help pass our lockdown time.

To this end, please email with information of what you are doing. I would image this would include great TV shows you are bingeing, recipes you are cooking, games you are playing, patters you are sewing, etc.

Please provide as much details as one might need to replicate the fun.”

MEMBERSHIP & NEW CLUB DEVELOPMENT

The Rotary theme for August is “Membership and Club Development”. It could not be a more apt month for our club.

Over this month on social media (Twitter, Facebook, LinkedIn, Instagram) we will be actively recruiting for new members who would be an asset for the club, who are leaders in the community, and who we can help too as a club!

We shall report back to the club once recruitment is over.

Please log in online and share our recruitment posters amongst your networks!
