CLUB BULLETIN - SEPTEMBER 2021 - PART THREE

The RCoHD Speaker Series

Please join us on Monday, 27 September 2021 at 6:30 pm to hear Judith (Judy) Hopwood.

Theme of the evening is 'Homelessness and Houselessness'.

If you would like to join the club member meeting to attend the Speaker Series, please email us at enquiries@rcohd.org.

Community Service

For the Rotary year 2021/ 2022, the club has chosen to join the support the Initiative to create a Dementia-friendly Hornsby with the Hornsby Council and Dementia Australia as our Community Service.

Last week was Dementia Awareness Week. We hope you took advantage of the resources we posted on social media.

Have you checked out the cafe for community members living with dementia and their carers?
The cafés are designed to give a small-medium group of people an opp. outside of their home to socialise, relax and discover ways to live well with dementia.

initiated and Chaired by Simon. The Members were very enthusiastic and brought much positive response to the discussions.

Dr Judy Hopwood will be our guest speaker this week and will talk further on Food for the Needy.

The Monthly Presidents Meeting was held last Saturday, Chaired by DG Lindsay. The meeting presented many subjects, including some Clubs involved with food support to the needy. The meeting also discussed, Insurance, Annual Conference next year, International Conference in 2022, Child Protection, Empowering Girls, a new world initiative project. Rotaract, Safe Families, Foundation Polio Plus, School in a Box, Slipper & Beany for Thailand, Leadership Institute, Membership Growth and much more. The Rotaract District Rep, Jason Terry, spoke on the need for clubs to interact with their local Rotaract Clubs. As you can see it is a full on meeting with much information.

Next week is a Public Holiday, Labour day and therefore there will be no meeting.

I remind you that the following week Monday 11th October is our very special guest speaker from Chicago, Bob Sharfman, Attorney at Law.

Yours in Rotary

Acting President, Rob

The Research Behind Lift the Lid

Listen on

"I'm really proud that this has ultimately led to something that can help men in the real world. I think it's kind of sparked that interest in fear of cancer recurrence and we're working on online interventions to address that on a broader scale as well, and that could ultimately help millions of cancer survivors worldwide... I think that this scholarship really set me down on that path and has enabled that work."

Episode 52: Dr Ben Smith

Rotary Districts of Australia | LIFT THE LID on mental illness

Dr Ben Smith joins us on episode 52 of **The Research Behind Lift the Lid** podcast to talk on understanding the psychosocial impact of surviving testicular cancer.
